How To Place an Order with Advanced Seller Data Services

First Time Order

1. Print the following documents
 - ASDS Master License Agreement
 - ASDS Order Form
 - ASDS State Order Form
2. Complete the information and sign page 2 of the Master License Agreement
3. Complete the Order Form with your contact and billing information
 - Be certain to mark if you have a specific dollar limit on your order
 - IMPORTANT** -> Please provide the name and mailing address your credit card company has on file for you. (The address they send your bill)
4. Complete the State Request Form by entering the time period with the starting and ending months and complete the columns for the states you are interested.

Example:

Loan Dates: From July 2007 Through: December 2009

State	Min Loan Amount	Priority	State	Min Loan Amount	Priority
Alabama			Missouri		
Alaska	100,000	3	Montana		
Arizona	75,000	2	Nebraska		
Arkansas			Nevada	100,000	2
California	100,000	1	New Hampsh.		

For this example, we would pull records in order you request until your purchase limit is obtained. We would first pull California records with loan balances \$100,000 and up between July 2007 and December 2009. If there are not enough records to complete your order we pull Arizona and Nevada simultaneously as requested. Next we pull Alaska and so on until we reach the limit requested for your order.

5. Fax or scan and e-mail the License Agreement, Order Form and State Request Form.
