## State Request Form

Name: \_\_\_\_\_ Company: \_\_\_\_\_

### Instructions:

Prioritize the states you are interested in by number in the Rank column. You may rank multiple states with the same number if they are equally important. 1 = highest priority state

We select records from your highest ranking state(s) first, then your next highest and so on until we have enough records to complete your order

The number of records from each state depends on how narrow your criteria is. Please include additional states as a back up in case your most preferred states don't have enough records. **TX, FL and CA hold 60% of all notes** and are a good back up. **AZ, GA, NC, WA, OR, NY, PA & OH also create a sizable number of notes.**
